

Our Latest Office Consoles for Secure Document Destruction and Paper Recycling

Our Stand Office Console offers a secure cabinet which blends in with most modern offices. This stylish yet practical console will store up to 25 kg of confidential documents. Supplied with key for office manager. Can be purchased outright or rented. Comes complete with cloth sack and built in deflection board.

(Size: 500mm x 500mm x 900mm)

This is our mini console which has been designed to fit under one's desk. It is ideal for those offices where space is limited. As above, it comes with deflection board, cloth sack and key. This too can be purchased outright or rented.

(Size: 500mm x 500mm x 635mm)

This is our standard woven reusable shredding sack. It's very strong and easily holds 15 Kg of paper documents. Fill Line, sorting guide and contact numbers are clearly shown on the bag. These sacks can be used for one off purges or can be supplied in addition to our consoles giving customers the ability to purge additional old documents as they go along. Our rental service includes some free shredding of documents in these bags as standard!
(Approx. size: 500mm (w) x 900mm (h))

At Lancashire Confidential Shredding we can tailor our regular and one off shredding service to suit our diverse customer requirements for both regular and one off shredding. Please call us to discuss.
